Dear Ron,

Permit me to boost an absolutely superb woman percussionist for your consideration as soloist during the 91-92 season. She is:

Kay Stonefelt  
812 S. Stull  
Bloomington, IN 74701 (812-339-6686)

She won the IU soloist competition, performed my Percussion Concerto with IU University Orchestra. (Have tape, video, etc.; virtuoso performance as attested by attached review.) She is pursuing performances of the work in US and in Germany, so if you choose work, she should be more than ready to engulf Chapin Hall. (This was work which Mickey Bookspan premiered with Ormandy/Philadelphia; Ms. Stonefelt studied work with Carlyn, IU perc.prof./late of Philly orchestra.)

all the best, sorry I missed the Pops last month, yours,

Robert Suderburg
